

# RUNYARARO MTAZU

IT INTERN

---

**Dear hiring manager,**

I am writing to express my sincere interest in applying for an industrial attachment position at your organisation. I am currently enrolled as a second-year student pursuing a Bachelor's degree in Computer Science at the National University of Science And Technology. Throughout my academic journey, I have developed a strong foundation in various areas of computer science, including programming, data-analytics, algorithms, software development, and networking. My studies have equipped me with the necessary theoretical insights to excel, but I am enthusiastic about translating this knowledge into a real-world setting. I believe that an industrial attachment at your company would not only enhance my technical skills but also allow me to actively engage with industry innovations and learn from the talented professionals at your organization.

Enclosed is my resume, which provides further details about my academic background and skills. I would appreciate the opportunity to discuss how I can contribute to your organisation during a potential interview. Thank you for considering my application. I look forward to hearing from you soon.

Sincerely,

*Runyararo Mtazu*

### SUMMARY

Dedicated and driven Computer Science student with a strong foundation in various areas of computer science including programming , data analytics, IT support and software development. Seeking and internship opportunity to apply technical skills and gain practical experience in a dynamic environment. I am eager to contribute to innovative projects and collaborate with industry professionals to enhance my knowledge and grow as a IT professional.

---

### SKILLS

Technical Skills	Document Editors	Soft Skills
Html , Css , Python , SQL , Git , Javascript , Algorithms	Microsoft word , Microsoft Powerpoint Google sheets , Google Docs	Communication ,Adaptability Time management , Teamwork

---

### ACTIVITIES

#### Hackathon Participant | CodeFest

**Bulawayo - 2023**

- Designed a web application prototype for managing a company's inventory using HTML, CSS and Python
- Worked under tight deadlines and presented a prototype to a panel of judges

#### Course Project | Password Manager App

**Nust - 2024**

- Developed a fully functional application for managing and protecting a user's passwords
- Implemented user authentication , password search and a user friendly UI
- Collaborated with a team of 10 using Agile methodologies

---

### EDUCATION

#### Bsc Honours Degree In Computer Science

**September 2023 - Present**

National University of Science and Technology

- Relevant coursework in Programming , Algorithms , Web Development, Data analytics

#### Advanced Level

**January 2021 - November 2022**

Chemhanza High School

- Obtained 3 A level Passes

---

### CERTIFICATES

#### **Certification :** Google IT Support Professional Certificate

- Completed hands-on practical coursework in IT Support

#### **Certification :** Google Data Analytics Professional Certificate

- Completed engaging coursework in data visualization, data analysis and SQL

**RE: INDUSTRIAL ATTACHMENT 2025/2026 ACADEMIC YEAR**

**Attachment Letter for RUNYARARO MTAZU ID No 63-2366698 F 32**

I do hereby confirm that **RUNYARARO MTAZU**, Student Number **N0232218T** is bona fide National University of Science and Technology student, studying towards a degree in Computer Science and due to undertake Industrial attachment in the academic year 2025/2026.

We would be grateful if you could assist the student with a position to undertake Industrial Attachment. We have no doubt that the student will perform to their best in assigned activities. We can, therefore, confidently recommend the student for the industrial attachment program at your organization. Your continued support is greatly appreciated.

Should you need further information on the matter, please do not hesitate to contact the undersigned.

Yours faithfully
